How my ever gonna get rid of these blues  
 Baby I'm so lonely all the time  
 Everywhere I go I get so confused  
 You're the only thing that's on my mind

Oh my beds so cold at night and I miss you more each day  
 Only you can make it right no I'm not too proud to say

All I know is I'm lost without you I'm not gonna lie  
 How my going to be strong without you I need you by my side  
 If we ever say we'll never be together and we ended with goodbye  
 don't know what I'd do....I'm lost without you  
 I keep trying to find my way but all I know is I'm lost without you  
 I keep trying to face the day I'm lost without you

If I could only hold you now and make the pain just go away  
 Can't stop the tears from running down my face  
 Oh

All I know is I'm lost without you I'm not gonna lie  
 How my going to be strong without you I need you by my side  
 If we ever say we'll never be together and we ended with goodbye  
 don't know what I'd do....I'm lost without you

I keep trying to find my way but all I know is I'm lost without you  
 I keep trying to face the day I'm lost without you
