**Verse 2:**  
 Honestly, could it be you and me  
 Like it was before, need less or more?  
 'Cause when I close my eyes  
 At night, I realize that no one else  
 Could ever take your place.  
 I still can feel, and it's so real,  
 When you're touching me,  
 Kisses endlessly.  
 It's just a place in the sun  
 Where our love's begun.  
 I miss you, yes, I miss you.  
 (To Chorus:)
